

Parent Access Guide

Using schooltool

Basic Information:

Schooltool is a historical application that holds all permanent record information on an individual student by school year. Schooltool also allows you to view past information such as classes, grades, attendance, assignments and discipline information. Because schooltool is a real-time application, users may experience brief pauses while the system updates itself from screen to screen.

Grade Levels:

Parents/Guardians of Middle and High School students (grades 5-12) are offered access to schooltool. Elementary students (grades K-4) can also be viewed in schooltool but limited information is available.

Quick Login Guide - [Parent Quick Login Guide](#)

3 Ways to Login:

1. Go to www.wccsk12.org, click on **Parents** and **Parent Portal Login**
2. Go to www.wccsk12.org, click on **Parents** and **Parent Portal Guides** then click on the logo 
3. Add this link to your Internet Favorites <https://st.wccsk12.org/schooltoolweb/>

Navigation:

Schooltool uses navigation buttons that allow you to perform basic functions with a single click of the mouse.

 Show/Hide	 Print or Report	 Cancel
 Show/Hide	 Done or Return	 Email
 Select or Details	 Previous or Done	 Check Spelling

Note: While viewing schooltool you should always use the buttons and links within the schooltool interface, and not those of your web browser. As a general rule, **do not** use the BACK button on your browser as this will halt your connection to the schooltool database. All the links and navigation buttons are accessed with a single click. Double clicking may not produce desired results.

Using Schooltool:

After logging in, a parent will be presented with a screen containing three tabs:

The screenshot shows the parent portal interface. At the top, there is a navigation bar with the school logo, 'Home', 'schooltool', and 'Logout'. Below this is a secondary navigation bar with 'Home' on the left and 'Home' on the right. The main content area has a 'My Home' tab selected, and a red box highlights three sub-tabs: 'Students', 'Campus', and 'Account'. The 'Students' tab is active, displaying a welcome message for Ernest Hemingway dated Saturday, October 29, 2011. It lists cycle days for Wayland Elementary School (Elementary) and Wayland-Cohocton Middle School (Middle). Below this is a 'Contacts' section for Jane Hemingway, identified as the daughter, with her address (123 Fourfivesix St., Anytown, NY 12345) and phone numbers (Home: (123) 555-5555, Work: [redacted]).

Students Tab

This tab provides a listing of all students that “belong” to the parent that is logged in. View additional information and student specific tabs by clicking on a student’s Select button.

Assignments

Recommended Guidelines for Parent Use of Assignment Tab Information:

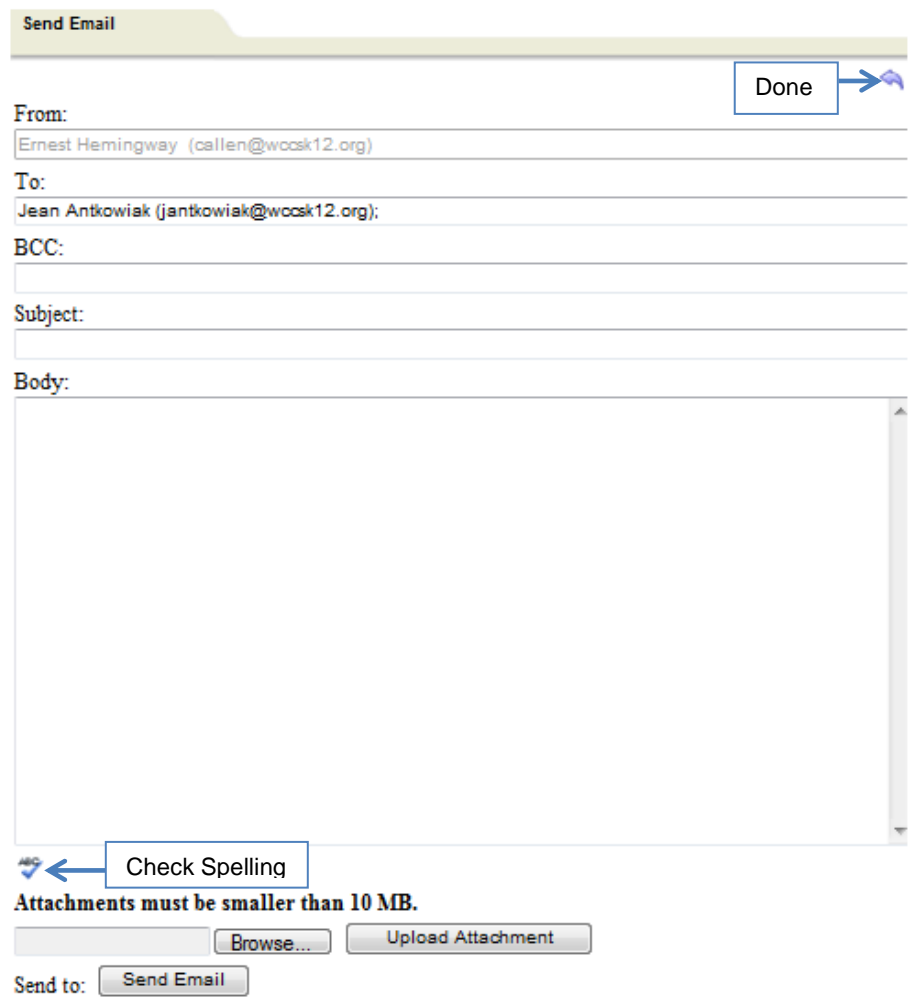

- We encourage parents to use grade book information to prompt discussions with students.** Before contacting the school to discuss a grade, parents should first ask their child for clarification about specific assignments, projects, and tests. Often times, students can easily explain why they earned specific grades for particular tasks. Discussing grades in this manner provides students with a wonderful opportunity to proactively share their educational experience with parents.
- Parents are encouraged to contact school staff if students are unable to provide clarification about specific grades.** Most teachers can best be reached via email. Simply go to the Grades tab and click on the Send Email button  next to the teacher you would like to contact.
- If you see that a grade is not entered for a specific assignment, please consider the fact that many teachers may enter grades for smaller assignments on a weekly basis, while larger projects may take three or more weeks to assess and enter into schooltool.** If an assignment is left blank, parents can interpret that the teacher is still grading the work or the student did not submit the assignment. In this case, it is important for parents to ask their child if the work was completed and turned in.
