

Wayland-Cohocton Central School District Supplemental Educational Services (SES) Providers

PROVIDER	ADDRESS	DESCRIPTION
Sylvan Learning Center	3300 Monroe Avenue Rochester, NY 14618	Sylvan Learning is proud to offer after school instruction to students through the No Child Left Behind Program! Sylvan is the leading provider of supplemental education services in the world. At Sylvan, our unique approach to learning, will provide in-person, small group (no more than 6 students per class) instruction in ELA or Math to meet individual student needs. We provide our tutoring services right there at your child's school, after the end of the regular school day. Professional bus transportation will be available at the conclusion of each session. Our program will begin with an assessment to determine each student's specific skill strengths and weaknesses. Teachers provide direct instruction while focusing on motivating and inspiring students by rewarding them for their achievement and effort. We look forward to working together to help each student reach their greatest potential as a successful and confident learner! If you want to help your child stop struggling in school and get excited about learning, Sylvan Learning can make it happen!

<p>Achieve Highpoints by Datamatics, Inc.</p>	<p>3505 Duluth Park Lane, Suite 210 Duluth, GA 30096</p>	<p>Datamatics Inc. d/b/a Achieve HighPoints is an online math tutoring program aligned to NY state math curriculum standards. The program helps students attain and perform at grade level proficiency and achieve high test scores on math exams. Students can recover learning gaps from prior grades and build strong math skills through the online math tutoring program. Based on the student's grade level assessment, an individual customized student learning plan (SLP) is developed. Students attend tutoring as per their customized SLP to meet their specific learning needs. Tutoring is available 7 days a week. Since we are online, there are not the usual time and transportation barriers found with traditional tutoring. Students work whenever it is convenient for them via the internet. Students using our platform experience an average 15 point increase in pre and post testing. That's like going from a 78 to a 93. Numerous students have gone from F's to D's to B's and A's with Achieve HighPoints.</p>
<p>Innovadia</p>	<p>8721 Santa Monica Blvd. #1445 Los Angeles, CA 90069</p>	<p>Innovadia provides individualized, one-on-one tutoring in a safe online environment, for grades 3-12, in subjects Math and English Learning Arts. As our lessons are delivered over the Internet we provide a computer and Internet connection to the students free of cost. The students can keep the equipment once the tutoring is finished. Each session is online for one hour and a half; 3-4 times a week. We have successfully delivered tutoring services to a wide range of student populations, including low income, minority, limited English proficiency and special education students. We have extensive experience working with students who are in need of deep remediation or special instructional strategies. We have expert tutors who use their extensive experience to teach LEP (Limited English Proficient) students & students with special needs successfully. We employ tutors who can provide tutoring in languages other than English, like Spanish.</p>
<p>Kinetic Potential Scholars</p>	<p>1100 Mercantile lane, Suite 115-A Largo, Maryland 20774</p>	<p>The Kinetic Potential Scholars (KPS) program is built upon five key principles of quality programming: (1) a well-structured program, (2) recruitment and development of high qualified instructors with graduate degrees from Yale, Harvard and Columbia School of Education, (3) curriculum alignment to state standards, (4) involvement of parents/guardians and (5) the latest advancement in technology—3D virtual learning environment (similar to Wii/PS3). KPS pairs each student with KP Tutors and KP Mentors, all of which results in a holistic approach to student success. Sessions take place at school, libraries, community centers and churches. The program is designed for year-round access (before and after school, Saturdays and during the summer), to reinforce and support a continuation of math and reading skills. KPS is more than just tutoring, we provide each student with mentorship and career development throughout each stage of their development.</p>
