

Student Publishing Permission Form

Dear Parent/Guardian:

The Wayland-Cohocton website offers the world an opportunity to view the achievements of our students throughout the school year. Students may have several opportunities to have their name, picture or original work displayed on the website. All websites monitored by staff to ensure that all materials are in compliance with the Wayland-Cohocton Central School District web policy.

For your students' protection and privacy, we ask your permission to use you child's picture, name and/or project within our website. Pictures used on our web site may include students when they receive an award as an individual or in a group or if they are involved in projects, sports or extracurricular activities either as an individual or in a small or large group setting. In order to ensure the safety of the student, only first names will be used.
